

Step 1:

[Example: Open your dashboard and click on integrations. This will open a tab inside the platform with a list of all available apps.]

Screenshot

Step 2:

[Example: Find Facebook under “social media integrations” and click on the icon. You’ll see the integration’s summary page.]

Screenshot

Step 3:

[Example: Click on “Integrate” at the bottom left corner]

Screenshot

Step 4:

[Example: You’ll be redirected to the Facebook login page where you can sign in]Screenshot
